Our Mission Statement

The love of Jesus Christ gathers us together to welcome and embrace all God's Children.

El amor de Jesus Cristo nos unifica para acoger a todos como hijos de Dios

January 22, 2017

Dear Parishioner,

This past Friday our nation witnessed one of the hallmarks of our democratic system here in the United States of America, the peaceful transfer of power. Since the time of our first president, President George Washington, during times of feast and famine, war and peace, and all the other historical chapters of our wonderful national experiment, the will of the people through our presidential elections, chooses the next leader of our great nation. The pageantry and patriotic rites of succession we witnessed once again are moving as they serve as outward signs of the strength of our democracy. They also can help unite a nation that is often divided along differing views of what direction the country should take and who is best to lead that charge as our president. Sometimes neighbors, friends and even family members differ in these views and can find themselves at odds with one another after a contentious election. We certainly see some of this divisiveness played out in our streets, newsrooms, newspapers, social media and even our dinner tables! Now that the election is over it is time for our nation and its leaders to come together and work for the good of all our citizens, no matter their political party or who they voted for in the election.

While we may not all agree on who was the right choice to lead our nation into the future, we certainly can show respect for those who have differing views than ours and strive as a good citizen to only hope and pray for the success of our new president. We also should hope and pray that he will help to promote peace and harmony among all our citizens, promote peace in our world community, champion the rights of all people born and unborn, promote racial harmony, show compassion to the immigrant, help to address the needs of the poor and keep us safe from harm. Let this be our prayer for President Trump and for our nation. May God bless the new president in his service to the nation and may God bless these United States of America!

Stewardship

Stewards are each Called

"He called them, and immediately they left their boat and their father and followed Him."
Matthew 4:22

Just as Jesus called the first apostles, He calls each of us to **Stewardship**. Not everyone is called to leave their business or family behind, but we are expected to put God first in everything. Everything from our time in daily prayer, our talent in participating in one of our parish ministries and our treasure to support the financial needs of our parish mission.

Electronic or "e-Giving" is available to parishioners and friends of Notre Dame de la Mer Parish. It's easy to set up, and YOU have complete control of how and what you donate to the parish. It's convenient, consistent, secure and insures privacy. To register, and set up your personal account, **go to Notre Dame de la Mer Parish Web Page and click on the link on the front page.**

Please follow the directions. And if you're interested, coupon slips can be printed so you have something to place in the collection baskets. If you have questions, or concerns, there is a FAQ section that should help you in your decision. Be sure to visit Parish Pay. Thank you for your generosity.

Pre-Baptismal Classes: As the primary educators of their child, the parents/guardians and godparents have the most important influence on the faith development of children and parishes must provide catechesis for them before their child is baptized. It is important for the expectant parents/guardians to arrange to attend a session **5 months before the birth and Baptism** of the child. Contact the parish offices for more information. **The next class is scheduled for Saturday, March 11, 2017, from 9:30 to 11:00 AM.**

Funerals: To be arranged with a priest and funeral director.

CAP 3 is called **Cyber-Empowerment** and is a workshop which promotes adults understanding of cyber activity of youth while teaching them realistic ways to help children keep their own rights and guard the rights of others in the cyber-sphere.

Each presentation is 90 minutes.
