COVENANT OF DUTIES AND RESPONSIBILITIES

PREP is an essential part of the mission of our parish. The parish supports the parents of the children as the primary teachers and examples of the faith. The goal of the program is to form students to be disciples of Jesus Christ, capable of living life steeped in Catholic-Christian values. This program is rooted in the Sunday celebration of the Eucharist where the entire parish draws strength from both Word and Sacrament.

PREP is designed for the children of our parish who attend schools that do not teach formal religious education classes. Families attending the Religious Education Program at Notre Dame de la Mer Parish can expect a well-designed curriculum based on the guidelines of the Diocese of Camden, administered and taught by dedicated and knowledgeable Catholic adults. We use a "whole community" catechesis model and so PREP provides educational opportunities for all the segments of our Parish community. Religious education is a lifelong learning process and it is hoped that with the cooperation, participation and interaction of all we will develop and support a dynamic faith-filled community.

I hereby request that my child(ren) attend Religious Education classes at Notre Dame de la Mer Parish, Wildwood, NJ. It is my intention to take responsibility for my child's regular attendance at Sunday Mass and frequent reception of the Sacrament of Reconciliation. I understand that in registering for PREP, I take responsibility for the commitment my family is making to lifelong Religious Education. I further agree that Religious Education will be a priority to my family and that other activities will not interfere with my commitment to those classes and events.

I also understand that preparation for the reception of the sacraments of Reconciliation (Penance), First Holy Eucharist and Confirmation require additional classes, parent meetings, and retreats.

I agree to abide by the Parent Handbook, as posted on the parish's RELIGIOUS EDUCATION website. I understand the necessity of Faith-Filled Events and agree to have my child do at least the required 6 events before the current year of PREP is completed.
